DIGGA GROUP TERMS AND CONDITIONS

1. TERMS AND CONDITIONS

The supply of all Goods by the Digga Group herein after be referred to as the 'supplier', shall be subject to these terms and conditions, whether in the past, present or in the future. These terms and conditions shall prevail over any other terms and conditions, including those implied by Statute, to the extent permissible by Law. The applicant acknowledges having read the terms and conditions of sale, prior to signing the 'application for credit' account.

2. INVOICE

Goods are invoiced at the time of dispatch.

3. CREDIT APPROVAL

All orders or shipping instructions will be subject to approval by Digga, prior to shipment. Copies of current dealer or distributor financial statements are required annually, and signed 'security agreements', and 'UCC-1's' must be on-file where applicable. The supplier reserves the right to withdraw credit and supply.

4. RETENTION OF TITLE

A) Until the goods or the subject of the contract are paid in full.

B) Ownership shall remain with the supplier, but the risk shall pass to the applicant.

C) The relationship between the parties shall be fiduciary, and the applicant shall hold the goods as bailee for the supplier.

D) The supplier authorizes the applicant to on-sell the goods, but as 'agent' for the supplier. The applicant shall however, not represent to any parties that it is in any way acting for the suppliers, and the suppliers will not be bound by any contracts with third parties, to which the applicant is a party.

E) In the event that the applicant defaults or commits an act of bankruptcy, or a receiver is appointed, or the company goes into liquidation without prejudice to any other rights the vendor may have, the applicant, by receiving delivery of the goods, authorizes the supplier to retake possession of any unpaid goods, and resell same without accounting to the applicant therefore.

5. DEFAULTS

If the applicant defaults in paying any amount owed by the applicant to the supplier under the terms and conditions of sale, then any amount invoiced to or owned by the applicant (to the supplier) becomes immediately payable, and the applicant agrees to indemnify the supplier against all costs (including, but not limited to all; costs of collections, solicitor and own client costs, commercial agent commissions, freight, insurance, loss of profit and interest) incurred by the supplier, as a result of the applicant's default.

6. PAYMENT

The supplier may at its sole and absolute discretion appropriate any payment received from the applicant, against whatever amount is owing by the applicant to the supplier, under the terms and conditions of sales as are due. For account customers, payment is due within 30 days of the date of invoice. Any amounts not paid when due may incur a financing charge of 1.5% each month.

7. RIGHT TO REFUSE SUPPLY

The supplier reserves the right to accept or decline in whole or in part any order made by the applicant for the supply of goods, and to supply the goods ordered in whole or in part.

8. DELIVERY

A) Notwithstanding that an approximate date stipulated in the order for delivery of the goods, the time for delivery of the goods shall not be regarded as of the essence.

B) Subject to the clause, the supplier shall make all reasonable and commercial efforts to have the goods delivered to the applicant on the day agreed between the parties, but the supplier, its agents, and servants shall be under no liability whatsoever, nor shall the applicant be entitled to treat the contract as repudiated, should delivery not be made at that time.

9. RECEIPT

Under no circumstances may the applicant deny signature evidencing receipt of the goods by it of any employee, agent, or carrier utilised, or employed by the applicant as the cause may be.

10. LIABILITY FOR DAMAGES AND WARRANTIES

A) The customer and the supplier agree that the supplier accepts no responsibility or liability whatsoever or howsoever, arising whether in contract, tort, or otherwise, for loss of profit, business, or savings, or for any indirect or consequential loss of any nature arising out of, or from the use, custody, supply, or purchase of the goods to the fullest extent permitted by law. The applicant forever discharges the supplier from all such responsibilities and liability, claims, demands, or actions in respect thereof.

B) Where the supplier becomes liable to the applicant in any manner, for any breach of any condition or warranty expressed or implied, in relation to the supply of goods, the supplier's liability will be limited, at the supplier's sole and absolute discretion to either;

I) The replacement of the goods, or

II) The supply of equivalent goods, or

III) The price paid to the applicant for the goods, or

IV) The cost of repair to the goods, or

V) The cost of the resupply of the goods

11. CREDIT CARD TRANSACTIONS

As of the date of this publication, credit cards will not be accepted as a payment option.

12. CONDITIONS OF RETURNS

ALL RETURNS ARE SUBJECT TO A 15% RESTOCKING FEE.

Claims not accepted, unless arrival is effected at the above address within 14 days, with all freight and charges being prepaid.

SPECIALLY MANUFACTURED OR OFF-STANDARD PRODUCTS ARE NOT RETURNABLE, AND WILL NOT BE ACCEPTED FOR CREDIT.

Acceptance of these goods is an acceptance of the foregoing conditions.

AUGERS

DIGGA OFFERS OUR AUGER DRIVES WITH AND WITHOUT HALO.

PAGES 4 TO 8 WITH THE GREEN HEADINGS ARE THE PART NUMBERS AND PRICING FOR AUGER DRIVES INCLUDING HALO.

PAGES 9 TO 13 WITH THE BLACK HEADINGS ARE THE PART NUMBERS AND PRICING FOR AUGER DRIVES WITHOUT HALO.

HALO IS AN ALIGNMENT SYSTEM BUILT RIGHT INTO THE HOOD OF THE AUGER DRIVE. THE SEQUENCE OF RED AND GREEN LIGHTS GUIDES THE OPERATOR BACK TO PLUMB.

SCAN THE QR CODE TO SEE HALO IN ACTION.

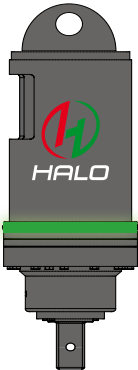

AUGERS WITH HALO

HALO CAN BE POWERED BY RUNNING A CABLE BACK TO THE CIGARRETE LIGHTER PLUG IN THE CAB OR BY USING A MAGNETIC BATTERY WHICH CAN BE STUCK TO THE MACHINES BOOM OF THE ATTACHMENT MOUNTING PLATE.

AS STANDARD HALO AUGER DRIVES COME WITH AN EXTENSION CABLE AND INCAB CIGARETTE LIGHTER PLUG.

THE BATTERY KIT WHICH ALSO ALLOWS THE OPERATOR TO SET PLUMB TO ANY ANGLE FOR ANGLED DRILLING IS OPTIONAL.

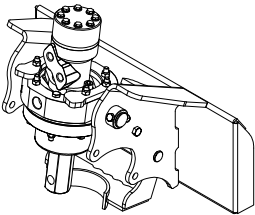

* US PATENT APPLICATION 16/488205

MINI LOADERS

STANDARD DRILLING

THE MINI GIMBAL AUGER IS NOT AVAILABLE WITH HALO
SEE PAGE 9 FOR STANDARD RANGE

HEAVY DUTY DRILLING

PACKAGE PRICE INCLUDE HALO, 87" HOSES, FF QUICK DISCONNECTS & MINI LOADER MOUNT

REPLACEMENT HALO CAB 12V CIGARETTE LIGHTER - 200MM CABLE	EC-001295	\$22
HALO 1M EXTENSION CABLE	EC-001292	\$31.60
HALO 3M EXTENSION CABLE	EC-001293	\$45.60
HALO 6M EXTENSION CABLE	EC-001294	\$57.20
HALO BATTERY KIT - INC. BATTERY WITH ZERO FUNCTION, 1M CABLE AND USB CABLE (POD TO PD50)	EC-001301	\$330
HALO POWER KIT - WITH 12V CIG PLUG, 3M & 6M EXTENTION CABLES	EC-001317	\$120
HALO POWER KIT - WITH 12V CIG PLUG, 3M & 2 X 6M EXTENTION CABLES	EC-001318	\$140
HALO POWER KIT - WITH 12V CIG PLUG, 3M EXTENTION CABLE	EC-001319	\$104.50
2 AMP WALL CHARGER	EC-001330	\$12

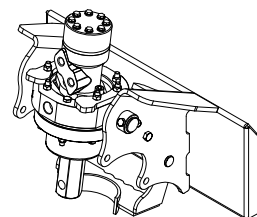

AUGERS WITHOUT HALO

MINI LOADERS

STANDARD DRILLING

PACKAGE PRICE INCLUDES 66" HOSES, FF QUICK DISCONNECTS & MINI LOADER MOUNT

DESCRIPTION	REC. FLOW [GPM]	AUGER & FRAME PACKAGE	
SINGLE SPEED		CODE	MSRP
1MDS2 - 2 WAY SWING - 2" HEX SHAFT	6-16	1MDS2-3	\$2,680
1MDS4 - 4 WAY SWING - 2" HEX SHAFT	6-16	1MDS4-3	\$2,890
1MDS2 - 2 WAY SWING - 2-9/16" RND SHAFT	6-16	1MDS2-22	\$2,680
1MDS4 - 4 WAY SWING - 2-9/16" RND SHAFT	6-16	1MDS4-22	\$2,890

MOUNTING PLATE IS SPECIFIC TO MAKE & MODEL OF MINI LOADER. SPECIFY WHAT MACHINE THE MOUNT IS ATTACHING TO SUITABLE AUGER: A4 & RC4 **(PAGE 20)** - SUITABLE EXTENSION: X020 **(PAGE 23)**

HEAVY DUTY DRILLING

PACKAGE PRICE INCLUDE 87" HOSES, FF QUICK DISCONNECTS & MINI LOADER MOUNT

DESCRIPTION	REC. FLOW [GPM]	AUGER WITH HOSES NO MOUNT		AUGER & MOUNT PACKAGE		AUGER & BOBCAT MOUNT PACKAGE	
SINGLE SPEED		CODE	MSRP	CODE	MSRP		
DDD-DIRECT DRIVE - 2" HEX SHAFT	4-12	DDD-3	\$2,280	DDD-3-ML	\$2,600	N/A

6M: DT-000005
12M: DT-000004
15M: DT-000003

TWO WAY FLOW

DIGGA PROVIDES ACCESSORIES FOR DRIVES WHICH CAN EITHER BE FACTORY FITTED (AND THEREFORE BE ORDERED WITH THE AUGER DRIVE), OR CAN BE ORDERED AT A LATER TIME. IF ORDERED AFTER THE AUGER DRIVE HAS SHIPPED, A DIFFERENT CODE IS NEEDED.

PLEASE NOTE THAT FOR MACHINES FITTED WITH A SINGLE ACTING HAMMER CIRCUIT AND NO 2-WAY HYDRAULIC FLOW (FOR FORWARD & REVERSE OPERATION) DIGGA SUPPLY 2 OPTIONS:

1. INTEGRATED 2-WAY FLOW VALVE - UNIQUE TO DIGGA

THIS VALVE MUST BE ORDERED AT THE TIME OF ORDER AND IS MOUNTED TO THE MOTOR INSIDE THE BAIL (HOOD) OF THE AUGER DRIVE. 12V OR 24V MUST BE SPECIFIED AT THE TIME OF ORDER. THIS VALVE IS NOT AVAILABLE ON 2-SPEED DRIVES.

2. EXTERNALLY MOUNTED TO YOUR MACHINE

CAN BE ORDERED AT THE SAME TIME AS THE DRIVE UNIT OR AFTER-MARKET. THE OPERATOR WILL MOUNT THIS TO THEIR PREFERRED POSITION ON THE BOOM OR STICK OF THE EXCAVATOR. 12V AND 24V MUST BE SPECIFIED.

INTEGRATED TWO WAY FLOW VALVE

FOR DDS & DLS AUGERS ONLY

12 VOLTS		
DESCRIPTION	CODE	MSRP

AUGER BITS - QUICK GUIDE

EARTH

ALL PURPOSE EARTH AUGER FOR GENERAL DRILLING

BLADED TEETH FOR EARTH/CLAY/SHALES

THE ANGLE AND GEOMETRY OF THE TEETH TO THE PILOT IS THE KEY TO THE EFFICIENCY IN WHICH THESE AUGERS PERFORM. AVAILABLE IN EARTH OR MULTI-FACED TUNGSTEN (MFT) BRAISED ONTO THE FACE OF THE TEETH, PROVIDING LONGER WEAR LIFE AND GREATER CUTTING PERFORMANCE. NOT SUITED TO HARDER FRACTURABLE ROCKS.

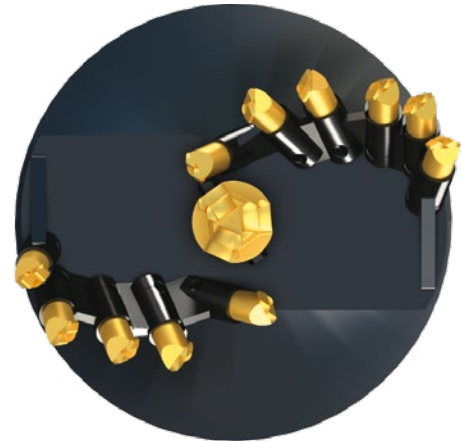

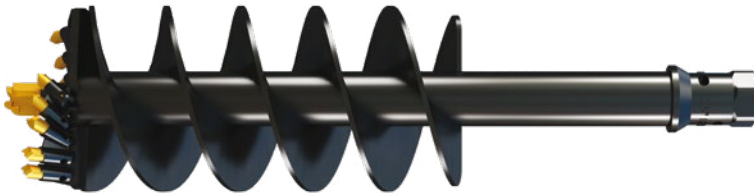

ROCK/COMBINATION

TAPER TEETH FOR THE ULTIMATE ALL-PERFORMER

TAPER TEETH FOR ALL GROUND CONDITIONS

NO NEED TO HAVE TWO AUGERS FOR DIFFERENT CONDITIONS. IDEAL IN ALL DRILLING CONDITIONS. CUT A CLEAN CLEAR HOLE IN SOFT EARTHS AND CLAYS AND HAVE THE ULTIMATE RIPPING ABILITY IN FRACTURABLE ROCK.

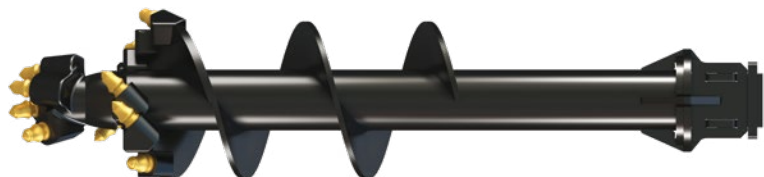

FOR LARGER EXCAVATORS IN HARDER CONDITIONS, TRIPLE TUNGSTEN TEETH (TTL) ARE RECOMMENDED FOR OPTIMUM ROCK DRILLING.

DEDICATED ROCK

SHALE, PERMAFROST & FRACTURABLE ROCK

ROTATING ROCK PICKS OFFER LONGER LIFE WHEN DRILLING IN HARD ROCK HEAVY DUTY ENGINEERED DESIGN, WITH HIGH EFFICIENCY CUTTING HEADS TO MAXIMIZE YOUR DRILLING PERFORMANCE. FITTED WITH A RANGE OF QUALITY WEARPARTS PROVIDING SUPERIOR WEAR AND PERFORMANCE.

CLAY	45-55	45-55
FRACTURABLE ROCK	20-45	20-45

IDEAL FOR GENERAL EARTH & CLAY DRILLING. FLAT TOOTH AUGER BIT, WITH CHISEL RIPPING TEETH ON INNER POCKETS FOR GREATER BREAKOUT FORCE. NEW SQUARE DRIVE PILOT PROVIDES STRONGER 'POSITIVE' FITMENT AND BETTER PERFORMANCE.

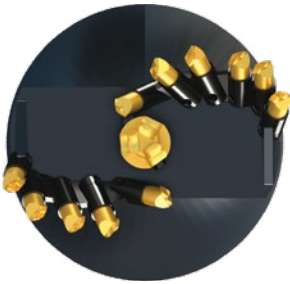

ALL PURPOSE TAPER TOOTH AUGER BIT. PERFECT FOR COMBINATION DRILLING IN ALL CONDITIONS, FROM EARTH TO MEDIUM ROCK. DOUBLE TUNGSTEN TEETH ON THE OUTSIDE, AND SINGLE TAPER TEETH ON THE INSIDE OF THE AUGER BIT, TO PROVIDE MAXIMUM BREAKOUT FORCE FOR SMALLER MACHINES. RESULTS IN A CLEAN HOLE, UNDER ALL CONDITIONS.

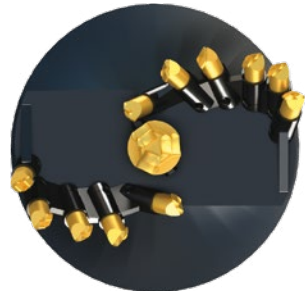

DOUBLE START, SINGLE CARRY FLIGHT CONFIGURATION.
SHALLOW FLIGHT PITCH FOR GREATER SOIL RETENTION.
HEAVY DUTY AUGER BODY, FOR GREATER WEAR & PERFORMANCE.

SUITS MINI MACHINES, SKID STEER LOADERS, AND MACHINES WITH A LOWER REACH WITH LESS DOWN-PRESSURE.

DR6 AUGERS FEATURE ROTATING ROCK PICKS AND ARE SPECIALLY DESIGNED FOR DRILLING FROM SOFT FRACTURABLE ROCK TO VERY HARD ROCK. SHORT FLIGHTING TO ENCOURAGE REGULAR SPOIL REMOVAL, ALLOWING COOL AIR TO ENTER THE HOLE AND FACILITATE REGULAR INSPECTION OF CARBIDE BULLET TEETH (ROTATING ROCK PICKS). EXCAVATORS 10T-15T, MACHINES THAT HAVE A HIGHER REACH AND MORE DOWN PRESSURE.

DIGGA ATTACHMENT RANGE

DIGGA PRODUCTS

A Digga Product is defined as products manufactured and or sold by Digga North America.

IMPORTANT INFORMATION

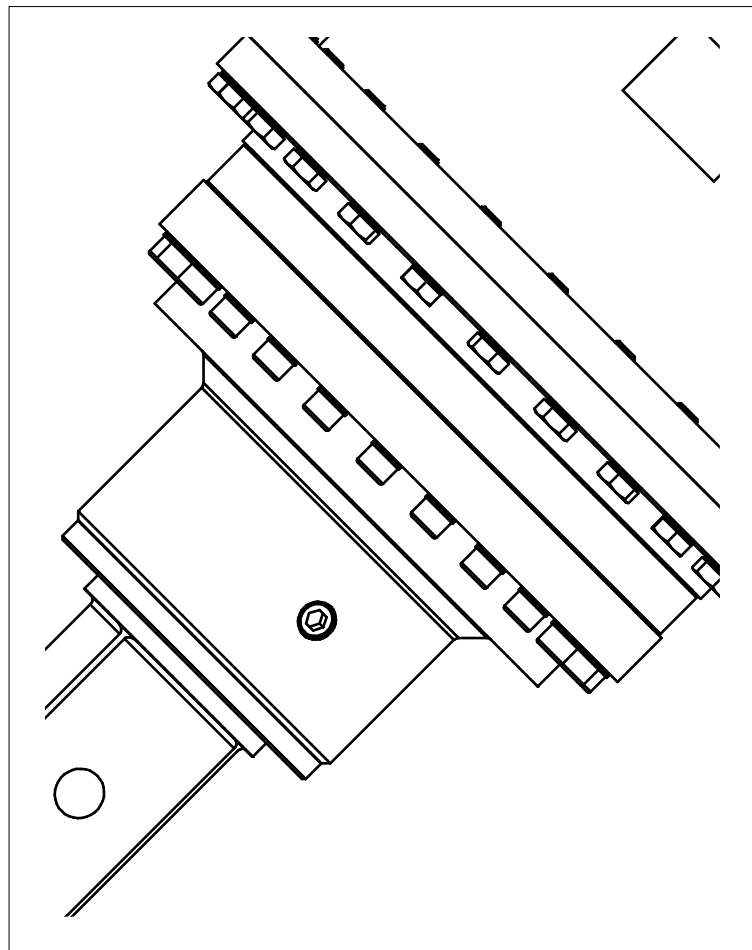

Before selecting or using a Digga product, it is important that all information concerning the product warranty, limitation of liability, and responsibility of the customer be reviewed. This information is located below. Please direct any questions regarding this information to your Digga Representative.

DISCLAIMER

This catalogue provides product options for further investigation, by customers having technical expertise with respect to the use of such products. It is the responsibility of the customer to thoroughly analyse all aspects of the customer's application, and to review the information concerning the product, in the current product catalogue. Due to the diversity of possible applications, the customer is solely responsible for making the final selection of the product(s) to be used, and to assure that all performance, safety and warning requirements of the application are met.

While Digga has made all reasonable efforts to present accurate information in this catalogue, it shall not be held responsible for any incorrect information which may result from unintentional oversight. Due to continuous product improvement, the product specifications as stated in this catalogue are subject to change by Digga at any time, without notice. The customer should consult a sales representative of Digga for detailed information, and to determine any changes in the information in this catalogue.

Improper selection, or improper use of the Digga products supplied herein can result in death, personal injury, and/or property damage. Digga North America's sole responsibility with respect to its products is set forth in the warranty/limitation of liability policy stated herein.

12 MONTHS

LIMITED WARRANTY

Digga products are sold subject to a limited warranty, and a limitation of remedies policy, both of which constitute part of, any, and all agreements to purchase Digga products. Digga makes no other warranties or promises, other than those specifically noted in its written policies. No Digga employee or agent has the power to alter those policies.

All new products are warranted to be free from defects in material, and/or workmanship for one (1) year. Under no circumstances, will it cover any merchandise or components thereof, which, in the opinion of the company, have been subject to misuse, unauthorized modifications, alterations, accidents, or repairs which have been made with parts other than those obtainable through Digga.

The warranty period will begin on the date of invoice, or 6 months after invoice date, if no product registration is received. In the event of a defect within the warranty period (excluding cable, ground engaging parts; such as sprockets, digging chain, bearings, teeth, blade cutting edges, pilot bits, auger teeth, auger heads, and broom brushes) and after examination, it is determined failure was due to defective material and/or workmanship, part(s) will be repaired or replaced. Digga may request defective part(s) to be returned to them for inspection at their place or business, or sent to a specified location.

Any claims under this warranty must be made within thirty (30) days from date of repair, and all repairs must be made within 30 days from date of failure. All claims not made in writing and received within these time periods specified above shall be denied.

LIMITATIONS ON RESPONSIBILITY

THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES (EXPRESSED OR IMPLIED), AND THERE ARE NO WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT, SHALL DIGGA BE LIABLE FOR CONSEQUENTIAL OR SPECIAL DAMAGE.

DIGGA'S LIABILITY FOR ANY AND ALL LOSSES AND DAMAGES TO BUYER, RESULTING FROM ANY CAUSE WHATSOEVER (INCLUDING NEGLIGENCE), IRRESPECTIVE OF WHETHER SUCH DEFECTS ARE DISCOVERABLE OR LATENT, SHALL IN NO EVENT EXCEED THE PURCHASE PRICE OF THE PARTICULAR PRODUCT(S), WITH RESPECT TO WHICH LOSSES OR DAMAGES ARE CLAIMED, OR AT THE ELECTION OF DIGGA, THE REPAIR, OR REPLACEMENT OF DEFECTIVE OR DAMAGED PRODUCTS.

WARRANTY PROCEDURE

Upon notification of a problem/failure on a component, please advise the Digga Service department of the following:

- Serial number of the attachment
- Description of specific component failure
- Details of the prime mover; including machine type, model, system flows, and pressure
- Comments pertaining to failure (from end user)

The warranty will be considered void if the product or any part of the product is modified or repaired in any way not expressly authorized by Digga, or if closed components are disassembled prior to return. If repair will require parts, you must refer to warranty considerations when ordering parts through the Customer Service department.

Upon receipt of replacement parts or verbal approval from the Customer Service department to proceed with a warranty resolution, all defective parts must be retained for evaluation by Digga. Failure to retain defective parts will result in cancellation to any warranty consideration.

If a defective component is deemed necessary to be returned to Digga, a Goods Return Authorisation/Credit (GRC) receiving number will be issued. All shipping documents should show this number.

If a defective component can be fixed at your location or in the field, please notify Digga for authorization, prior to performing work. Send a picture of the defect to the Digga Service department, before proceeding with any other repairs.

Upon completion of the repairs, send all relevant documentation, showing labor hours, material costs, and any other warranty costs as described in the Digga warranty policy.

Flat rate hours will be quoted by the Digga Service department for any repair. If problems are encountered that were not addressed originally, Digga must be contacted to obtain authorization for additional labor hours. Digga will not be responsible for work performed without prior notification and authorization.
